NOTICE

In the coming months, the Politecnico di Milano will be announcing a negotiated procedure, in which at least five competitors will be invited to take part, for the purchase of a radiometer in line with the specifications detailed in the attached data sheet.

A specially appointed committee will select the applicants to be invited among the companies registered in the List of Politecnico di Milano Suppliers, in the appropriate product category.

Interested companies may subscribe to the List of Politecnico di Milano Suppliers, available at the following link: <http://www.polimi.it/impreseproponiti-come-fornitore/>.

Upon subscribing to the List of Suppliers, interested companies should specify the following product category:

Line: Industrial machinery

Category: Electrical items for special use

Subcategory: Radiometer

Interested companies may submit any documentation they consider relevant to their application.

Particular attention will be paid to the following documents:

- Product catalogue
- List of customers

All documentation must be provided electronically, and may be submitted as follows:

1. By email to: protocollo@polimi.it.

The subject of the message should be as follows: **“Selection of applicants - Purchase of a Radiometer for the Department of Electronics, Information and Bioengineering”**.
