

1. Con riferimento al *“DECRETO 22 ottobre 2004, n. 270 Modifiche al regolamento recante norme concernenti l'autonomia didattica degli atenei, approvato con decreto del Ministro dell'università e della ricerca scientifica e tecnologica 3 novembre 1999, n. 509.”*, il/la candidato/a illustri che cosa è previsto relativamente ai requisiti di ammissione ai corsi di laurea magistrale, con particolare riferimento ai titoli di studio esteri.
2. Answer the following hypothetical question from a prospective student, based on the current regulation related to foreign degrees: *“I have studied for 10 years in Belarus and then obtained my diploma after one more year of studies in the US, can I be admitted to a Bachelor of Science programme at Politecnico di Milano?”*

1. Il/la candidato/a illustri le possibilità previste dalla normativa vigente per colmare eventuali anni di scolarità mancanti nella formazione di un candidato con titolo estero, con il fine di iscriversi ad un corso di laurea del Politecnico di Milano.

2. *Answer the following hypothetical question from a prospective student, based on the current regulation related to foreign degrees:
"I have an International Baccalaureate diploma, can I be admitted to a Bachelor of Science programme at Politecnico di Milano?"*

1. Il/la candidato/a descriva i requisiti di ammissione ai corsi di laurea previsti per i candidati con un titolo di studio estero, sulla base della normativa citata nel "Regolamento della carriera degli studenti del Politecnico di Milano".
2. *Answer the following hypothetical question from a prospective student, based on the current regulation related to foreign degrees: "I have a Chinese Bachelor's degree. Which documents should I submit to be admitted to a Master of Science programme at Politecnico di Milano?"*

1. To officially complete the enrolment process at Politecnico di Milano, all students with a foreign qualification must submit a series of documents to the International Students Office to ascertain the eligibility of the secondary school qualification for further studies at the next level (i.e. to a bachelor's degree course), as well as the authenticity of the qualification itself.

Quali sono i titoli di studio rilasciati dalle Università in base al DM n.270 del 22 ottobre 2004?

2. The verification of the admission requirements is carried out by the International Students Office by verifying the following documents, which must be uploaded during the test registration phase, in the section “Laurea (equivalent to a Bachelor of Science) and five-year single-cycle programmes: entrance or recovery tests and enrolment > Enrolment documents”:
- report cards from the last three years of school, stamped and signed by the competent authority/office;
 - final secondary school diploma, if obtained, or a letter of enrolment in the final year of secondary school, stamped and signed by the competent authority/office.

Quali sono i requisiti di ammissione ai corsi di studio secondo quanto indicato nel DM n.270 del 22 ottobre 2004?

3. Enrolment in bachelor's degree programmes in Engineering includes a special stage, known as the "early stage", which allows those who have passed the exam in their penultimate year at high school, or have passed one of the alternative exams indicated in the call for applications, to enrol without placement in the ranking.

Che cosa si intende per credito formativo universitario secondo quanto previsto nel DM n.270 del 22 ottobre 2004?

4. For the enrolment in Single Courses you need to send the International Students Office the last qualification you obtained among the following: Upper Secondary School Diploma, Bachelor's Degree or Master of Science Degree.

If your qualification was issued directly in English, French or Spanish, no translation will be required. Otherwise, you will have to send both your qualification in original language and translated in Italian, English, French or Spanish. Please note only official translations are accepted.

Come si decade dalla qualifica di studente secondo il Regolamento della carriera degli studenti del Politecnico di Milano?

5. The portfolio is a collection of selected samples of work from your previous educational programme or work experiences. It should reflect the scope and variety of your training and experience with specific emphasis on your knowledge and skills in the degree track for which you are applying. You should submit projects that represent your interests and personal views as well as your design and technological abilities. Neatness and clarity of presentation are extremely important as they reflect both your attitude towards your work as well as your ability to communicate your work in a comprehensive and deliberate manner.

Cosa è previsto dal Regolamento della carriera degli studenti del Politecnico di Milano rispetto all'immatricolazione ed iscrizione ai Corsi di studio e ai crediti formativi universitari?

6. All students must show their original passport (or identity card for EU students only) and visa (for non-EU students only) for official identification to the office in charge. Identification allows students to use Politecnico di Milano wi-fi, download software licences and have their examination grades registered.
The enrolment can be considered officially over only once documents assessment and passport/identity card validation have been completed.

Cosa è previsto dal Regolamento della carriera degli studenti del Politecnico di Milano rispetto al piano degli studi?
