Candidates are required to submit the application form through the dedicated function available from On-line services http://www.polimi.it/servizionline (Benefits and agreements> Economic benefits) **within 12.00 noon (Italian time)** of **20 March 2019.**

The closure of the on-line application is equivalent to send the participation application for this Call and implies acceptance of its contents.
It is responsibility of the candidate to verify the correct conclusion of the procedure.

After closure of the Notice, application cannot be changed any more. The candidate can delete the application and resubmit a new one before the Call deadline.

Failure to close the application or its incompleteness will implies the exclusion from the evaluation procedure.

art. 4
Granting of scholarship

The assignment of scholarship will be decided on the basis of a ranking list made by the Area Sviluppo e Rapporti con le Imprese.

The ranking list will be drawn up through the allocation of a score determined by the following formula:

WEIGHTED AVERAGE x REGISTERED CFU (at the deadline of the call)

In case of **equal score**, the candidate **with worst economic conditions** will come first.

In this case will be considered the student's **ISEE certificate (equivalent ISEEU** for those without income in Italy) **2019 valid and compliant** according to the University **database by the end of the call**.
Without an **ISEE/ISEEU** certificate valid and compliant, the student will be awarded, for the sole purposes of this ranking list, **the highest** ISEE/ISEEU economic value.

All scholarships of this competition or part of them could not be assigned, in the event that all or part of the candidates will not be considered eligible.

The winners can be invited to a meeting with the donor.

The ranking lists will be published on the University web site in the section:

The above-mentioned conditions will be verified ex officio by the Area Sviluppo e Rapporti con le Imprese, it allows the automatic renewal of the scholarship to deserving students.

art. 6
General Rules

Combination - The scholarship cannot be combined with other scholarships or with other forms of economic aid provided by Politecnico, in particular with the benefits of Diritto allo studio, for the academic year of reference of this call. The scholarship can however be combined with contributions for international mobility provided by Politecnico or other public or private entity. The scholarship can also be combined with exemptions from university fees and contributions.
Allocation: Successful candidate shall be notified of the allocation of the scholarship and any potential future renewals via their University e-mail address. Within 10 days from receipt of such notifications, the winner must send, signed for acceptance, the dedicate forms that will be provided attached to the allocation and renewal communication.
The scholarship will be allocated with a single instalment by Politecnico di Milano.
Renunciation: in case the winner renounces or if the forms are not provided within the deadline, the allocation is awarded to the first suitable candidate that follows in the ranking list.
Revocation: the scholarship can be revoked if the recipient is subject to disciplinary

sanctions. It is still subject to revocation in case of renunciation of studies or transfer to another University during the current year.

Tax treatment: assigned contributions are subject to tax purposes and applicable legislation for what concern scholarships. The allocated amount for scholarship can be considered as income from salaried employment and therefore it undergoes the same tax treatment. The expenses charged to Politecnico di Milano corresponds to IRAP rate equal to 8,5% of the amount of the scholarship.
