HEREBY DECREES

The issuing of the call for n. 1 scholarship "**Amazon Women in Innovation Bursary for Politecnico di Milano**" a.y. 2021/2022.

Art. 1

Characteristics of the scholarship and recipients

This n.1 scholarship, with a gross amount of **€6,000.00**, net of any charges payable to the Politecnico di Milano, is intended **for female students** enrolled for the first time in the a.y. 2021/2022 **in the Bachelor of Science in Mathematical Engineering and Computer Science and Engineering programmes** of Politecnico di Milano.

The aim of the scholarship is to help a female student to realize her career projects in the field of innovation and technology, that sector which is called Stem (acronym for Science, Technology, Engineering and Mathematics).

The winner will benefit from a mentorship programme provided by an Amazon manager during the study programme and will have the opportunity to become a positive example for female students wishing to undertake their studies in the Stem sector, by telling them about her experiences.

This scholarship **can be renewed** for the same amount for the following two academic years if the requirements provided for under Article 5 of this competition notice are fulfilled.

Art. 2 **Participation requirements**

Female students can participate in this competition, within the deadline of the call, if:

- they are enrolled for the first time in the a.y. 2021/2022 in the Bachelor of Science in Mathematical Engineering and Computer Science and Engineering programmes of Politecnico di Milano;
- they have passed and regularly registered in the career **at least 20 CFU** to obtain the qualification;
- they have a weighted average of the exams useful for obtaining the qualification not lower than **24/30**;

The Research, Innovation and Corporate Relations Division will attest the possession of requirements available in the computerized archive of Politecnico di Milano.

Art. 3 **How to participate**

Candidates are required to submit the application form through the dedicated function available from On-line services <http://www.polimi.it/servizionline> (Exemptions and partnership agreements -> Student bursaries, degree awards, exemptions, generic calls) **within 12.00 am (Italian time) of 31 March 2022.**

The closure of the on-line application is equivalent to send the participation application for this Call and implies acceptance of its contents.

It is responsibility of the candidate to verify the correct conclusion of the procedure.

After submitting the application, a receipt can be printed and the application cannot be changed any more. The candidate can delete the application and resubmit a new one before the Call deadline.

Failure to complete and submit the application, submitting an incomplete application or submitting inadequate documents will result in the applicant being excluded from the assessment procedure.

Art. 4 **Granting of scholarship**

The assignment of scholarship will be decided on the basis of a ranking list made by the Area Development and Relations with Enterprises.

The female candidate with worst economic conditions will come first.
The ranking list will be drawn up considering the student's **ISEE certificate (equivalent ISEEU for those without income in Italy) 2022 valid and compliant** according to the University **database by the end of the call.**

POLITECNICO
MILANO 1863

In the absence of a valid and compliant **2022 ISEE/ISEEU** the student will be **attributed**, solely for the purposes of this ranking, the **highest ISEE/ISEEU (€95,001)**.

In case of equal result, priority is given to the candidate with the highest number of CFU. In case of further equal result, priority is given to the candidate with the highest weighted average.

Finally, the youngest candidate will be given priority.

The scholarship could not be assigned if the candidates are not suitable.

The ranking lists will be published on the University web site in the section:
<https://www.polimi.it/studenti-iscritti/tasse-borse-e-agevolazioni-economiche/borse-di-studio-e-premi-di-laurea-non-dsu/>

Art. 5 **Renewal of scholarships**

The recipient of the scholarship “Amazon Women in Innovation Bursary for Politecnico di Milano” a.y. 2021/2022 can obtain the renewal of scholarship for the following two academic years if the conditions below are met:

1st renewal: **registration to the a.y. 2022/2023** to one of the Engineering Study programmes of Politecnico di Milano within the deadline provided by the calendar of the academic year

Allocation: the assignment of the scholarship and any renewal will be communicated to the winner at the University's institutional email address. Within 10 days of receiving that notification, the winner must return the relevant forms attached to the award and renewal notification, signed for acceptance.

The scholarship will be paid in a lump sum by Politecnico di Milano.

If the scholarship is not paid and/or in view of the failure by the person entitled to renew the same, the remaining funds will be used to establish a new call.

Renunciation: in case the winner renounces or if the forms are not provided within the deadline, the allocation is awarded to the first suitable candidate that follows in the ranking list.

Revocation: the scholarship can be revoked if the recipient is subject to disciplinary sanctions. It is still subject to revocation in case of renunciation of studies or transfer to another University during the current year.

Tax treatment: assigned contributions are subject to tax purposes and applicable legislation for what concern scholarships. The allocated amount for scholarship can be considered as income from salaried employment and therefore it undergoes the same tax treatment. The expenses charged to Politecnico di Milano corresponds to IRAP rate equal to 8,5% of the amount of the scholarship.

Art. 7 **Head of the procedure**

Pursuant to Article 5 of Law No 241 of 07 August 1990, the head of the procedure for this competition is Dr Ivano Ciceri.
