Although not essential, having developed the Thesis in the context of projects or research pursued by the LEAP - Laboratorio Energia e Ambiente Piacenza (Piacenza Laboratory for Energy and the Environment) will be an element of positive evaluation. In this case, the candidate for the Award is required to attach to the application a presentation letter from the Head of the LEAP Area in which the Thesis was developed, highlighting the involvement and contribution of the candidate to the pursued activity.

Art. 2 How to apply

Applicants must submit their application by means of the specific function available from the online Services <http://www.polimi.it/servizionline> (Agevolazioni e Convenzioni > Borse di studio, premi di laurea, esoneri, [Subsidies and Conventions > Scholarships, Degree awards, exonerations]) from 22 December 2022 by 12 pm (Italian time) on 27 June 2023.

Applicants **must attach** through the appropriate procedure:

- **their Thesis in pdf format, maximum 15MB**

The file must be named in the format Surname-Forename-Type of document.pdf (for example Smith-John-Thesis.pdf)

Completing the online application means submitting an application for the Call and implies acceptance of its contents. It is the applicant's responsibility to check that the procedure has been completed correctly.

After having completed and submitted the application, the applicant may print a receipt and the application may no longer be altered. The applicant may delete the application and submit a new one at any time before the deadline set out in this Call.

Failure to complete and submit the application or submitting an incomplete application or submitting inadequate documents will result in the applicant being excluded from the selection procedure.

In the case of multi-author theses, each co-author wishing to compete for the award shall submit an application individually.

In this case, all authors must submit identical documentation. By submitting their application, the winning applicant agrees that their Thesis or part of it may be disseminated in accordance with copyright.

Art. 3 – Selection Committee

The awarding of the Degree Award is decided on the basis of a ranking drawn up by a Selection Committee appointed by managerial decree after the deadline of the Call for applications.

In formulating the ranking, the Committee will decide on the basis of the attached Degree Thesis.

POLITECNICO
MILANO 1863

Provided that the requirements set out Art. 1 of the Call for applications are met, the Committee may distribute the award among several candidates in the event of a tie.

The Selection Committee may not assign the award in the event that the candidates are not suitable, and may then decide issue a new call for it in the same or the following academic year.

The winners may be invited to a meet-and-greet with the donor.

The ranking will be posted on the University's website in the section:

www.polimi.it/studenti-iscritti/tasse-borse-e-agevolazioni-economiche/borse-di-studio-e-premi-di-laurea-non-dsu

and on the Piacenza Campus website in the section:
