art. 3 **Adjudicating Committee**

The granting of the degree award is decided based on a ranking drawn up by a Selection Committee appointed by managerial decree following the deadline of the call for applications.

The Committee will decide the ranking based on the attached thesis.

It will be preferable to have developed contributions on wind energy as well as on the accumulation and distribution of electricity by motor propulsion.

Provided that the requirements set out in art. 1 of the call for applications are met, the Committee may share the award among several applicants if there is an ex-aequo.

The Adjudicating Committee may not award the prize if none of the applicants are deemed suitable.

The winner may be invited to a meet-and-greet with the donor.

The ranking will be posted on the university website at the following address:

<https://www.polimi.it/studenti-iscritti/tasse-borse-e-agevolazioni-economiche/altre-borse-di-studio-e-premi>

art. 4 **General rules**

Cumulability: the degree award is not cumutable with other awards received for the same dissertation.

Withdrawal: in the event of the winner withdrawing or failing to return the necessary forms by the established deadline, the prize will be awarded to the next highest applicant in the ranking.

Payment: the awarding of the degree award will be communicated to the winner via their official university email address. Within 10 days of receipt of this communication, the winner must return the relevant forms attached to the award notification, signed for acceptance.

The prize will be paid in a single payment from the Politecnico di Milano.

Tax status: the payments awarded are subject to taxation, under the legislation in force regarding study awards. The amount paid as a degree award is income considered similar to income from employment, and as such is subject to the same taxation. The taxes paid by Politecnico di Milano correspond to the IRAP rate of 8.5% of the total degree award.
