the scholarships will be distributed proportionally to the number of students enrolled in the Laurea Magistrale (equivalent to Master of Science) programmes, as follows:

no. Two for the School of Design

no. Four for the School of Architecture Urban Planning Construction Engineering

no. Ten for the School of Civil, Environmental and Land Management Engineering and the School of Industrial and Information Engineering

Scholarships will be shared equally between female and male applicants.

art. 2

Admission requirements

POLITECNICO
MILANO 1863

Students possessing the following requirements by the call deadline may apply:

1. having obtained, **in the 2023 calendar year, a Laurea (equivalent to Bachelor of Science)** or an international qualification that has been approved for the purposes of enrolling at the Politecnico di Milano
2. **enrolment** for the first time in the **a.y. 2023/2024** in one of Politecnico di Milano Laurea Magistrale (equivalent to Master of Science) programmes
3. **at least 15 CFU** (including validations) which have been correctly registered on the student's record and are eligible for the purposes of graduation
4. weighted average **not less than 28/30** of examinations which have been correctly registered on the student's record and are eligible for the purposes of graduation

Fundraising and Alumni Unit will verify whether the requirements have been met using the Politecnico di Milano's digital archive.

It is the applicant's responsibility to ensure that the data present in the Politecnico di Milano's digital archive are correct and current by the deadline of this call for applications.

art. 3 **Participation procedures**

Applicants must submit the application by way of the specific function available from the online Services <http://www.polimi.it/servizionline> (Benefits and agreements> Economic benefits) **from 08 January 2024 to 29 March 2024 at 12 pm noon (Italian time)**.

Upon completion of the online application process (status: closed), the application to this call shall be deemed to have been submitted and the applicant shall be understood to have agreed to the contents of the call itself.

It is the applicant's responsibility to check that the process has been completed correctly.

After having completed and submitted the application, the applicant may print a receipt and the application may no longer be altered. The applicant may delete and resubmit the application at any time before the deadline of this call for applications.

Failure to complete the application, the submission of an incomplete application or the submission of inadequate documents shall result in the applicant being excluded from the assessment process.

art. 4 **Scholarship assignment**

POLITECNICO
MILANO 1863

The scholarship will be awarded according to a ranking list compiled by the office of the Fundraising and Alumni Unit based on the information available in the Politecnico di Milano's digital archive.

Six rankings will be generated according to school and gender.

If it is impossible to allocate one or more scholarships within a ranking, the unallocated scholarships will be redistributed among the remaining rankings.

Each ranking will be based upon the score determined by the following formula:

**(WEIGHTED AVERAGE x CFU RECORDED) + FINANCIAL STATUS SCORE
(at the call deadline)**

The financial status score is determined as follows:

2024 ISEE/ISEEU (Equivalent Economic Situation Indicator) VALUE	SCORE
from €0 to €23,120	120
from €23,121 to €27,000	120
from €27,001 to €31,000	80
from €31,001 to €40,000	70
from €40,001 to €51,000	30
from €51,001 to €63,000	20
from €63,001 to €75,000	10
from €75,001 to €95,000	5
from €95,001 to higher amounts	0

A **valid and compliant 2024 ISEE (equivalent ISEEU** for those not earning income in Italy), found in the University's **database by the call deadline** will be considered.

In the absence of a valid and compliant **2024 ISEE** (Equivalent Economic Situation Indicator)/**ISEEU** the student will be attributed, solely for the purposes of this ranking, the **highest ISEE/ISEEU (€95,001)**.

If the applicants are still equal, priority will be given to the youngest applicant.

The available scholarships may not all be assigned if the applicants are found to be unsuitable.

Rankings will be posted on the University's website in the following section:

POLITECNICO
MILANO 1863

Winners may be invited to meet with the donor.

art. 5 **General rules**

Accumulation:- The scholarship and any renewals cannot be combined with other scholarships or other forms of financial aid provided by the Politecnico for the same academic year, and in particular they cannot be combined with 'Diritto allo Studio' (DSU) benefits. The scholarship and any renewals may be combined with the international mobility contributions provided by Politecnico or by other public or private entities. The scholarship and any renewals may be combined with exemptions from tuition fees and contributions.

Payment: the winner will be notified of the awarding of the scholarship and its renewals at his/her University institutional e-mail address. Within 10 days of receiving said notification, the winner must sign and return the corresponding forms attached to the award and renewal notifications.

The scholarship will be disbursed by Politecnico di Milano in a single payment.

In the event that the scholarship is not awarded and/or the holder fails to renew the scholarship, the remaining funds will be used to establish a new call for applications.

Withdrawal: if the winner withdraws or fails to return the forms, the award will be transferred to the next suitable applicant in the ranking.

Revocation: the scholarship may be revoked if disciplinary sanctions are brought against the recipient. In any case, the scholarship will be revoked if the recipient withdraws from his/her studies or transfers to another University during the year.

Revocation will require the amount received to be returned to the Politecnico di Milano and the amount will be used to set up a new call for applications.

Self-certification: Politecnico di Milano will verify the recipient's declarations and any false declarations will result in the forfeiture of any benefits awarded.

Taxation: the amount awarded will be subject to taxation, in accordance with current legislation relating to scholarships. The scholarship award is treated as employment income, and is therefore treated in the same way for tax purposes. The costs to be borne by Politecnico di Milano are the IRAP regional tax on production activities, amounting to 8.5% of the scholarship amount.

art. 6 **Head of the Procedure**

Under art. 5 of Italian Law, 7 August 1990, no. 241, the head of the procedure governing this call for applications is Dr. Ivano Ciceri.
